

## UPCOMING FIELD TRIPS FOR ALL HIGH SCHOOL STUDENTS

**Where: Redding Institute of Technology and Shasta College**

**Date: Wednesday, December 20, 2017**

**Time: 8:45-3:00**

**Who: All high school students grade 9-12**

**Activities: We will be visiting Redding Institute of Technology to check out some of the programs they have. Their programs include:**

**Vocational Nursing**

**Massage Therapist**

**Professional Medical Assistant**

**Pharmacy Technician**

**Heating and Air**

**We will have lunch at their campus and then travel to Shasta College on an unofficial tour. This is a great opportunity to get a feel for life as a college student.**

**Students will need to get permission slips from Katelyn in the office and return them by 12/19/17.**

---

**Where: Simpson University (Redding)**

**Date: Friday, January 12, 2018**

**Time: 9:15-3:00**

**Who: All high school students grade 9-12**

**Activities: We will be taking a tour of Simpson University campus. Next, we will visit their nursing school lab and learn about applying to their school. Lunch will be provided for students during our visit. After lunch we will take an unofficial tour of Shasta College.**

**Students will need to get permission slips from Katelyn and return them into by 1/11/18**

**Come join us for some fun excursions!**

**Dr. Stoich**
