My name is Traven, I'm the founder of the PB&J Scholarship Fund. My scholarship is focused on helping students whose test scores or GPAs might not be the best, but have the drive to succeed. Students can apply using this link <http://bit.ly/pbjscholars2020>.

This is the first time we are opening our scholarship to your school and I am interested to learn what is the best way we can let students know about it. If you have any ideas, questions, or feedback, my cell is (808) 450-9988, email is [travwatase@gmail.com](mailto:travwatase@gmail.com). I can usually reply after work around 6:00 pm.

### Why I Started The PB&J Scholarship Fund

When I attended Farrington High School in Hawai'i, I was determined to go to college but my test scores and GPA were low, so I got rejected a lot. To give back to future students, I lived off PB&J sandwiches during my first year in college to fund a scholarship for a student like me.
