

Tri Counties Bank Scholarship Program

At Tri Counties Bank, our mission is to improve the financial success and wellbeing of the people we serve including those in our communities throughout Northern and Central California. A key element of fulfilling this mission is through our scholarship investment in community-minded and intellectually-gifted students, which will in turn, strengthen our communities.

In partnership with the Shasta Regional Community Foundation, Tri Counties Bank competitively awards scholarships of up to \$1,500 each to students attending a 4-year college and up to \$1,000 for those attending community college.

Awards will be made to talented high school seniors who demonstrate a keen interest in public service, community engagement and business entrepreneurship – especially among our economically-disadvantaged youth.

Tri Counties Bank provides a unique brand of Service With Solutions which we extend to outstanding students to encourage their own discovery of solutions that will improve their lives and the wellbeing of others they may serve.
