

Introduction:

LEA: Tehama eLearning Academy **Contact (Name, Title, Email, Phone Number):** Rich DuVarney, County Superintendent of Schools, rduvarney@tehamaschools.org, (530) 528-7341 **LCAP Year:** 2016-17, 2017-18, and 2018-19

Local Control and Accountability Plan and Annual Update Template

The Tehama eLearning Academy mission is to provide an individualized California standards-based education for students in Tehama and adjacent counties using innovative electronic methods, state of the art mastery-based curriculum, traditional instruction models and parental involvement.

Tehama eLearning Academy (TeLA), previously named eScholar Academy, officially became a charter school in 2002. Due to the lapsation of its previous school district (Mineral), TCDE assumed charter oversight in 2012-13. TeLA was granted initial WASC accreditation in 2008, and again received a six year accreditation in June, 2014. TeLA uses the latest in computer technology to deliver a standards-aligned online curriculum that is accessible to students at any time.

TeLA's Expected Schoolwide Learning Results (ESLR's) state that students will learn to be: self-directed learners, effective communicators, contributing members of society and demonstrate the ability to think critically. The school's approach to teaching/learning provides a unique opportunity for students who have been unsuccessful in a traditional school setting including: dropouts, pregnant teens, academically challenged, foster children, wards of the court, or students who wish to accelerate their high school work.

Students attend school on-campus six hours per week and the remainder of instruction and assignments is completed on line. Students may complete this on line schoolwork either on-campus or off-campus. This model of instruction provides students with opportunities to receive targeted high quality instruction based on an identified area of academic needs. Instructional staff are available for student support during regular school hours (8:30 am to 3:00 pm), five days a week.

TeLA is governed by a Governance Committee whose membership is established within the Charter. The Governance Committee meets every other month to review school business and monitor LCAP goals, actions and services.

The Local Control and Accountability Plan (LCAP) and Annual Update Template shall be used to provide details regarding local educational agencies' (LEAs) actions and expenditures to support pupil outcomes and overall performance pursuant to Education Code sections 52060, 52066, 47605, 47605.5, and 47606.5. The LCAP and Annual Update Template must be completed by all LEAs each year.

For school districts, pursuant to Education Code section 52060, the LCAP must describe, for the school district and each school within the district, goals and specific actions to achieve those goals for all pupils and each subgroup of pupils identified in Education Code section 52052, including pupils with disabilities, for each of the state priorities and any locally identified priorities.

For county offices of education, pursuant to Education Code section 52066, the LCAP must describe, for each county office of education-operated school and program, goals and specific actions to achieve those goals for all pupils and each subgroup of pupils identified in Education Code section 52052, including pupils

with disabilities, who are funded through the county office of education Local Control Funding Formula as identified in Education Code section 2574 (pupils attending juvenile court schools, on probation or parole, or mandatorily expelled) for each of the state priorities and any locally identified priorities. School districts and county offices of education may additionally coordinate and describe in their LCAPs services provided to pupils funded by a school district but attending county-operated schools and programs, including special education programs.

Charter schools, pursuant to Education Code sections 47605, 47605.5, and 47606.5, must describe goals and specific actions to achieve those goals for all pupils and each subgroup of pupils identified in Education Code section 52052, including pupils with disabilities, for each of the state priorities as applicable and any locally identified priorities. For charter schools, the inclusion and description of goals for state priorities in the LCAP may be modified to meet the grade levels served and the nature of the programs provided, including modifications to reflect only the statutory requirements explicitly applicable to charter schools in the Education Code.

The LCAP is intended to be a comprehensive planning tool. Accordingly, in developing goals, specific actions, and expenditures, LEAs should carefully consider how to reflect the services and related expenses for their basic instructional program in relationship to the state priorities. LEAs may reference and describe actions and expenditures in other plans and funded by a variety of other fund sources when detailing goals, actions, and expenditures related to the state and local priorities. LCAPs must be consistent with school plans submitted pursuant to Education Code section 64001. The information contained in the LCAP, or annual update, may be supplemented by information contained in other plans (including the LEA plan pursuant to Section 1112 of Subpart 1 of Part A of Title I of Public Law 107-110) that are incorporated or referenced as relevant in this document.

For each section of the template, LEAs shall comply with instructions and should use the guiding questions as prompts (but not limits) for completing the information as required by statute. Guiding questions do not require separate narrative responses. However, the narrative response and goals and actions should demonstrate each guiding question was considered during the development of the plan. Data referenced in the LCAP must be consistent with the school accountability report card where appropriate. LEAs may resize pages or attach additional pages as necessary to facilitate completion of the LCAP.

State Priorities

The state priorities listed in Education Code sections 52060 and 52066 can be categorized as specified below for planning purposes, however, school districts and county offices of education must address each of the state priorities in their LCAP. Charter schools must address the priorities in Education Code section 52060(d) that apply to the grade levels served, or the nature of the program operated, by the charter school.

A. Conditions of Learning:

Basic: degree to which teachers are appropriately assigned pursuant to Education Code section 44258.9, and fully credentialed in the subject areas and for the pupils they are teaching; pupils have access to standards-aligned instructional materials pursuant to Education Code section 60119; and school facilities are maintained in good repair pursuant to Education Code section 17002(d). (Priority 1)

Implementation of State Standards: implementation of academic content and performance standards and English language development standards adopted by the state board for all pupils, including English learners. (Priority 2)

Course access: pupil enrollment in a broad course of study that includes all of the subject areas described in Education Code section 51210 and subdivisions (a) to (i), inclusive, of Section 51220, as applicable. (Priority 7)

Expelled pupils (for county offices of education only): coordination of instruction of expelled pupils pursuant to Education Code section 48926. (Priority 9)

Foster youth (for county offices of education only): coordination of services, including working with the county child welfare agency to share information, responding to the needs of the juvenile court system, and ensuring transfer of health and education records. (Priority 10)

B. Pupil Outcomes:

Pupil achievement: performance on standardized tests, score on Academic Performance Index, share of pupils that are college and career ready, share of English learners that become English proficient, English learner reclassification rate, share of pupils that pass Advanced Placement exams with 3 or higher, share of pupils determined prepared for college by the Early Assessment Program. (Priority 4)

Other pupil outcomes: pupil outcomes in the subject areas described in Education Code section 51210 and subdivisions (a) to (i), inclusive, of Education Code section 51220, as applicable. (Priority 8)

C. Engagement:

Parental involvement: efforts to seek parent input in decision making at the district and each schoolsite, promotion of parent participation in programs for unduplicated pupils and special need subgroups. (Priority 3)

Pupil engagement: school attendance rates, chronic absenteeism rates, middle school dropout rates, high school dropout rates, high school graduations rates. (Priority 5)

School climate: pupil suspension rates, pupil expulsion rates, other local measures including surveys of pupils, parents and teachers on the sense of safety and school connectedness. (Priority 6)

Section 1: Stakeholder Engagement

Meaningful engagement of parents, pupils, and other stakeholders, including those representing the subgroups identified in Education Code section 52052, is critical to the LCAP and budget process. Education Code sections 52060(g), 52062 and 52063 specify the minimum requirements for school districts; Education Code sections 52066(g), 52068 and 52069 specify the minimum requirements for county offices of education, and Education Code section 47606.5 specifies the minimum requirements for charter schools. In addition, Education Code section 48985 specifies the requirements for translation of documents.

Instructions: Describe the process used to consult with parents, pupils, school personnel, local bargaining units as applicable, and the community and how this consultation contributed to development of the LCAP or annual update. Note that the LEA’s goals, actions, services and expenditures related to the state priority of parental involvement are to be described separately in Section 2. In the annual update boxes, describe the stakeholder involvement process for the review, and describe its impact on, the development of the annual update to LCAP goals, actions, services, and expenditures.

Guiding Questions:

- 1) How have applicable stakeholders (e.g., parents and pupils, including parents of unduplicated pupils and unduplicated pupils identified in Education Code section 42238.01; community members; local bargaining units; LEA personnel; county child welfare agencies; county office of education foster youth services programs, court-appointed special advocates, and other foster youth stakeholders; community organizations representing English learners; and others as appropriate) been engaged and involved in developing, reviewing, and supporting implementation of the LCAP?
- 2) How have stakeholders been included in the LEA’s process in a timely manner to allow for engagement in the development of the LCAP?
- 3) What information (e.g., quantitative and qualitative data/metrics) was made available to stakeholders related to the state priorities and used by the LEA to inform the LCAP goal setting process? How was the information made available?
- 4) What changes, if any, were made in the LCAP prior to adoption as a result of written comments or other feedback received by the LEA through any of the LEA’s engagement processes?
- 5) What specific actions were taken to meet statutory requirements for stakeholder engagement pursuant to Education Code sections 52062, 52068, and 47606.5, including engagement with representatives of parents and guardians of pupils identified in Education Code section 42238.01?
- 6) What specific actions were taken to consult with pupils to meet the requirements 5 CCR 15495(a)?
- 7) How has stakeholder involvement been continued and supported? How has the involvement of these stakeholders supported improved outcomes for pupils, including unduplicated pupils, related to the state priorities?

Friday afternoon for instructional planning and monitoring of LCAP actions and services.

The Governance Committee meets several times a year to provide direction and address LCAP implementation. Community partners are involved in the TeLA LCAP through job shadowing and service learning participation. These partners include the Tehama Job Training Center, Shasta Community College, and Tehama County Department of Education programs (after school program, preschool program).

Please see attached 2015-16 calendar of LCAP stakeholder sessions for stakeholder meeting dates, topics and level of engagement. During the 2015-16 school year TeLA stakeholders reviewed the following data sets:

Priority 1:

~ SARC for facilities, status and repair, teacher credentials and mis-assignments, and text book sufficiency

Priority 2:

~ Common Core Standards Professional Development records and instructional program alignment to CCSS

Priority 3:

~ Parent surveys and parent participation records from Family Nights

Priority 4:

~ Student achievement data to include SBAC baseline, MAP and formative assessments from A+LS and Edgenuity. Also addressed were student records toward course completion.

Priority 5:

~ Attendance data, graduation and drop-out history

Priority 6:

~ Parent/student/community surveys and SARB data

Priority 7:

~ On campus and off campus student to device ratio and access to curriculum.

Priority 8:

~ CTE course and ACT testing participation; concurrent enrollment in Shasta College; data now posted in the National Student Clearinghouse.

Annual Update:

Stakeholder feedback and data review indicated that several LCAP actions and services were not begun or not fully addressed during 2015-16. Additionally, TeLA data sets indicate need for the following actions and services to be included in the update:

1. Professional development addressing lesson alignment to CCSS, ELD and NGSS - teachers have had some training, but need reinforcement so that they can seamlessly incorporate CCSS into lessons and student support sessions. Also, TeLA served three ELs during the 2015-16 school year. Teachers need training on ELD Standards and aligned lesson support. CELDT scores for the three students indicate a strong need for ELA support.
2. Student achievement on the 2015 SBAC and MAP indicated a clear need for strengthened ELA/Reading and Math instruction and tutoring.
3. No students participated in ACT or SAT testing during 2015-16.
4. There is a continued need for some sort of organized student leadership (i.e., a student council or other such leadership structure). Students indicated a need for sports activities and spirit days.
5. Students indicated a need for a TeLA Yearbook.
6. Staff indicated a need for professional development addressing character attributes and social-emotional issues - to include Nurtured Heart.
7. Staff still needs CTE training and connections to the community for more student job-related placements.
8. There is a continued need for documentation regarding home visits to include a standardized protocol.
9. There were no SARB referrals in 2015-16, but 5 TeLA students were enrolled with SARB contracts. Staff could better monitor SARB contracts.
10. The Governance Committee identified a need to revisit the Charter, to include parents on the Governance Committee and to establish better documentation for TeLA operations.

Annual Update:

The 2016-17, 2017-18 and 2018-19 TeLA LCAP has been revised to include the following additional actions and services:

Priority 2 and Priority 4:

- ~ Professional development addressing Common Core State Standards and ELD Standards and instruction
- ~ Professional development addressing character development, trauma, drug/alcohol awareness
- ~ Professional development addressing classroom management

Priority 3:

- ~ Inclusion of a parent on the TeLA Governance Committee

Priority 4 and Priority 8:

- ~ MAP formative assessments baseline score monitoring
- ~ Consistent use of formative data for changing and strengthening instruction
- ~ Additional teacher resources to provide ELA and Math tutoring
- ~ Establish electives that address athletics and life skills
- ~ Work with local high schools to promote student participation in ACT and/or SAT testing
- ~ Promote greater CTE course participation
- ~ Promote increased student FASFA participation

Priority 5:

- ~ Staff needs to better monitor SARB contracts to ensure student success.
- ~ Counselor data to be analyzed monthly for better student support
- ~ Middle School students will receive Botvin training in life skills and appropriate choices; high school students will be provided speakers addressing choices

- ~ Opportunities will be provided for student leadership

- ~ Provide more counseling services

Priority 7:

- ~ Purchase more technology devices for off campus use.

Priority 8:

- ~ Providing job shadowing and service learning experiences with community partners.

Section 2: Goals, Actions, Expenditures, and Progress Indicators

Instructions:

All LEAs must complete the LCAP and Annual Update Template each year. The LCAP is a three-year plan for the upcoming school year and the two years that follow. In this way, the program and goals contained in the LCAP align with the term of a school district and county office of education budget and multiyear budget projections. The Annual Update section of the template reviews progress made for each stated goal in the school year that is coming to a close, assesses the effectiveness of actions and services provided, and describes the changes made in the LCAP for the next three years that are based on this review and assessment.

Charter schools may adjust the table below to align with the term of the charter school’s budget that is submitted to the school’s authorizer pursuant to Education Code section 47604.33.

For school districts, Education Code sections 52060 and 52061, for county offices of education, Education Code sections 52066 and 52067, and for charter schools, Education Code section 47606.5 require(s) the LCAP to include a description of the annual goals, for all pupils and each subgroup of pupils, to be achieved for each state priority as defined in 5 CCR 15495(i) and any local priorities; a description of the specific actions an LEA will take to meet the identified goals; a description of the expenditures required to implement the specific actions; and an annual update to include a review of progress towards the goals and describe any changes to the goals.

To facilitate alignment between the LCAP and school plans, the LCAP shall identify and incorporate school-specific goals related to the state and local priorities from the school plans submitted pursuant to Education Code section 64001. Furthermore, the LCAP should be shared with, and input requested from, schoolsite-level advisory groups, as applicable (e.g., schoolsite councils, English Learner Advisory Councils, pupil advisory groups, etc.) to facilitate alignment between school-site and district-level goals and actions. An LEA may incorporate or reference actions described in other plans that are being undertaken to meet the goal.

Using the following instructions and guiding questions, complete a goal table (see below) for each of the LEA’s goals. Duplicate and expand the fields as necessary.

Goal: Describe the goal:

When completing the goal tables, include goals for all pupils and specific goals for schoolsites and specific subgroups, including pupils with disabilities, both at the LEA level and, where applicable, at the schoolsite level. The LEA may identify which schoolsites and subgroups have the same goals, and group and describe those goals together. The LEA may also indicate those goals that are not applicable to a specific subgroup or schoolsite.

Related State and/or Local Priorities: Identify the state and/or local priorities addressed by the goal by placing a check mark next to the applicable priority or priorities. The LCAP must include goals that address each of the state priorities, as defined in 5 CCR 15495(i), and any additional local priorities; however, one goal may address multiple priorities.

Identified Need: Describe the need(s) identified by the LEA that this goal addresses, including a description of the supporting data used to identify the need(s).

Schools: Identify the schoolsites to which the goal applies. LEAs may indicate “all” for all schools, specify an individual school or a subset of schools, or specify grade spans (e.g., all high schools or grades K-5).

Applicable Pupil Subgroups: Identify the pupil subgroups as defined in Education Code section 52052 to which the goal applies, or indicate “all” for all pupils.

Expected Annual Measurable Outcomes: For each LCAP year, identify and describe specific expected measurable outcomes for all pupils using, at minimum, the applicable required metrics for the related state priorities. Where applicable, include descriptions of specific expected measurable outcomes for schoolsites and specific subgroups, including pupils with disabilities, both at the LEA level and at the schoolsite level.

The metrics used to describe the expected measurable outcomes may be quantitative or qualitative, although the goal tables must address all required metrics for every state priority in each LCAP year. The required metrics are the specified measures and objectives for each state priority as set forth in Education Code sections 52060(d) and 52066(d). For the pupil engagement priority metrics, LEAs must calculate the rates specified in Education Code sections 52060(d)(5)(B), (C), (D) and (E) as described in the Local Control Accountability Plan and Annual Update Template Appendix, sections (a) through (d).

Action/Services: For each LCAP year, identify all annual actions to be performed and services provided to meet the described goal. Actions may describe a group of services that are implemented to achieve the identified goal.

Scope of Service: Describe the scope of each action/service by identifying the schoolsites covered. LEAs may indicate “all” for all schools, specify an individual school or a subset of schools, or specify grade spans (e.g., all high schools or grades K-5). If supplemental and concentration funds are used to support the action/service, the LEA must identify if the scope of service is districtwide, schoolwide, countywide, or charterwide.

Pupils to be served within identified scope of service: For each action/service, identify the pupils to be served within the identified scope of service. If the action to be performed or the service to be provided is for all pupils, place a check mark next to “ALL.”

For each action and/or service to be provided above what is being provided for all pupils, place a check mark next to the applicable unduplicated pupil subgroup(s) and/or other pupil subgroup(s) that will benefit from the additional action, and/or will receive the additional service. Identify, as applicable, additional actions and services for unduplicated pupil subgroup(s) as defined in Education Code section 42238.01, pupils redesignated fluent English proficient, and/or pupils subgroup(s) as defined in Education Code section 52052.

Budgeted Expenditures: For each action/service, list and describe budgeted expenditures for each school year to implement these actions, including where those expenditures can be found in the LEA’s budget. The LEA must reference all fund sources for each proposed expenditure. Expenditures must be classified using the California School Accounting Manual as required by Education Code sections 52061, 52067, and 47606.5.

Guiding Questions:

- 1) What are the LEA’s goal(s) to address state priorities related to “Conditions of Learning”?
- 2) What are the LEA’s goal(s) to address state priorities related to “Pupil Outcomes”?
- 3) What are the LEA’s goal(s) to address state priorities related to parent and pupil “Engagement” (e.g., parent involvement, pupil engagement, and school climate)?
- 4) What are the LEA’s goal(s) to address any locally-identified priorities?
- 5) How have the unique needs of individual schoolsites been evaluated to inform the development of meaningful district and/or individual schoolsite goals (e.g., input from site level advisory groups, staff, parents, community, pupils; review of school level plans; in-depth school level data analysis, etc.)?
- 6) What are the unique goals for unduplicated pupils as defined in Education Code sections 42238.01 and subgroups as defined in section 52052 that are different from the LEA’s goals for all pupils?
- 7) What are the specific expected measurable outcomes associated with each of the goals annually and over the term of the LCAP?
- 8) What information (e.g., quantitative and qualitative data/metrics) was considered/reviewed to develop goals to address each state or local priority?
- 9) What information was considered/reviewed for individual schoolsites?
- 10) What information was considered/reviewed for subgroups identified in Education Code section 52052?
- 11) What actions/services will be provided to all pupils, to subgroups of pupils identified pursuant to Education Code section 52052, to specific schoolsites, to English learners, to low-income pupils, and/or to foster youth to achieve goals identified in the LCAP?
- 12) How do these actions/services link to identified goals and expected measurable outcomes?
- 13) What expenditures support changes to actions/services as a result of the goal identified? Where can these expenditures be found in the LEA’s budget?

<p>Identified Need :</p>	<p>Tehama County has a growing need for alternative education programs to provide online access to core curriculum and CTE as evidenced by TeLA enrollment. TeLA enrollment was close to 100 students during 2015-16; attendance at P2 was 91.73%.</p> <p>Some Tehama County students need an opportunity for adult education options such as course work, credit recovery, and GED. Tehama Adult Education Program graduation numbers have increased dramatically in three years (2013-14=27 students; 2014-15=47 students; 2015-16=95 students). This increase is likely due to the state CAHSEE forgiveness, but indicates a program need nonetheless.</p> <p>TeLA Governance Committee has determined a need for school-wide articulated structures for TeLA operations, staff and parents.</p> <p>TeLA SBAC and MAPS data indicate a strong need for strengthened ELA and Math instruction, intervention and tutoring. ~7th, 8th and 11th grade ELA and Math SBAC indicate student achievement falling far below county average (see attached bar graphs) ~MAP baseline data indicate need for Reading and Math support (see attached data chart)</p> <p>CELDT administration during the fall of 2015 identified a need for ELA support for TeLA English Learners; one EL was reclassified. No CELDT had been administered at TeLA before the fall of 2015, therefore, TeLA had no AMAO data for analysis during 2015-16.</p> <p>While improvement is happening, county-wide data indicate the need for an alternative education program as evidenced by: ~County-wide high school drop out rate for 2013-14 = 12.1% (down from 15.0% in 2012-13); subgroup drop out rates were: 1. for English Learners - 22.5% county-wide (down from 26.6% in 2012-13) 2. for Special Education - 15.7% county-wide (down from 16.9% in 2012-13) 3. for SED - 14.8% (down from 17.7% in 2012-13)</p> <p>~County-wide graduation rate for 2013-14 = 84.4% (up from 80.4% in 2012-13); subgroup graduation rates were: 1. for English Learners - 73% county-wide (up from 70.2% in 2012-13) 2. for Special Education - 74.2% county-wide (up from 71.4% in 2012-13) 3. for SED - 80.9% (up from 76.9% in 2012-13)</p> <p>~County-wide A to G completion rates for 2013-14 = 24.4% (up from 20.3% in 2012-13)</p> <p>TeLA drop out, graduation and A to G completion rates continue to be far below the county-wide rates.</p>

LCAP Year 2: 2017-2018

Expected Annual Measurable Outcomes: TeLA enrollment will remain at 100 students; administration will maintain a waiting list.

Priority 1

- ~ SARC data will continue to indicate good/excellent facility status on the annual Facilities Inspection Tool, no teacher mis-assignments and sufficiency of Standards-aligned instructional materials.
- ~ Safety drills will occur regularly and be documented.
- ~ TeLA students will have full access to CCSS Standards aligned curriculum for core content areas and instructional content that represents a broad course of study (PE, the Arts, CTE coursework, electives, etc.)

Priority 2

- ~ Professional Development records will indicate 100% teacher participation in CCSS, ELD and NGSS aligned training.
- ~ Professional development records will indicate 100% teacher participation in social-emotional training.
- ~ Professional development records will indicate 100% teacher participation in classroom management training.

Priority 3

- ~ The TeLA Charter will be revised to include a parent and a student on the Governance Committee.
- ~ Parents will participate in the WASC visit in the fall of 2016.
- ~ Parents will continue to participate in school events such as Family Nights, Orientation, and the annual Parent Survey.

Priority 4

- ~ TeLA student achievement (by cohort) in Reading and Math will improve. Indicators will be SBAC scores, MAP and other formative score tracking and teacher documented progress.
- ~ Student participation in Reading and Math interventions will be implemented and documented; intervention program data will be collected to provide evidence of success.

Priority 5

- ~ Attendance will continue to meet the 90% goal.
- ~ High school graduation rate will continue to improve.
- ~ TeLA drop out rate will continue to decline.

Priority 6

- ~ Suspension data will be documented and monitored. Suspension rate will remain under 5%.
- ~ SARB referrals and contracts will be monitored.

Priority 7

- ~ TeLA student participation in electives will be documented and monitored. A baseline will be established.
- ~ TeLA student participation in Shasta College concurrent enrollment will be documented and monitored.

Priority 8

- ~ All 8th grade TeLA students will participate in the College Options 8th Grade Leadership Day.
- ~ College visitations will continue and participation will be documented and monitored.
- ~ National Clearinghouse Student Tracker data will be monitored.

Complete a copy of this table for each of the LEA's goals. Duplicate and expand the fields as necessary.

<p>GOAL 2:</p>	<p>TeLA will provide academic, college and career counseling and consultation. TeLA staff will make behavioral, psychological and social referrals as necessary for students to successfully complete TeLA requirements for graduation.</p>	<p>Related State and/or Local Priorities: 1 _ 2 _ 3 <input checked="" type="checkbox"/> 4 <input checked="" type="checkbox"/> 5 <input checked="" type="checkbox"/> 6 <input checked="" type="checkbox"/> 7 _ 8 _ COE only: 9 _ 10 _ Local : Specify <u>Grant solicitation for additional funding</u></p>
<p>Identified Need :</p>	<p>As non-traditional secondary students, many TeLA students exhibit behavioral and social needs beyond the scope of instructional staff. Staff need professional development to support such social-emotional issues as behavior, trauma, drug/alcohol abuse and poverty. TeLA students require staff follow-up to ensure attendance and course completion.</p>

Annual Update

Annual Update Instructions: For each goal in the prior year LCAP, review the progress toward the expected annual outcome(s) based on, at a minimum, the required metrics pursuant to Education Code sections 52060 and 52066. The review must include an assessment of the effectiveness of the specific actions. Describe any changes to the actions or goals the LEA will take as a result of the review and assessment. In addition, review the applicability of each goal in the LCAP.

Guiding Questions:

- 1) How have the actions/services addressed the needs of all pupils and did the provisions of those services result in the desired outcomes?
- 2) How have the actions/services addressed the needs of all subgroups of pupils identified pursuant to Education Code section 52052, including, but not limited to, English learners, low-income pupils, and foster youth; and did the provision of those actions/services result in the desired outcomes?
- 3) How have the actions/services addressed the identified needs and goals of specific schoolsites and were these actions/services effective in achieving the desired outcomes?
- 4) What information (e.g., quantitative and qualitative data/metrics) was examined to review progress toward goals in the annual update?
- 5) What progress has been achieved toward the goal and expected measurable outcome(s)? How effective were the actions and services in making progress toward the goal? What changes to goals, actions, services, and expenditures are being made in the LCAP as a result of the review of progress and assessment of the effectiveness of the actions and services?
- 6) What differences are there between budgeted expenditures and estimated actual annual expenditures? What were the reasons for any differences?

What changes in actions, services, and expenditures will be made as a result of reviewing past progress and/or changes to goals?	Goal 3 and related actions/services to continue. Governance Committee needs to revise Charter to address inclusion of parents in Governance Committee membership. TeA staff is working on the development of a checklist to provide more transparent and consistent documentation of student schoolwork participation.		

Complete a copy of this table for each of the LEA's goals in the prior year LCAP. Duplicate and expand the fields as necessary.

Section 3: Use of Supplemental and Concentration Grant funds and Proportionality

A. In the box below, identify the amount of funds in the LCAP year calculated on the basis of the number and concentration of low income, foster youth, and English learner pupils as determined pursuant to 5 CCR 15496(a)(5).

Describe how the LEA is expending these funds in the LCAP year. Include a description of, and justification for, the use of any funds in a districtwide, schoolwide, countywide, or charterwide manner as specified in 5 CCR 15496.

For school districts with below 55 percent of enrollment of unduplicated pupils in the district or below 40 percent of enrollment of unduplicated pupils at a schoolsite in the LCAP year, when using supplemental and concentration funds in a districtwide or schoolwide manner, the school district must additionally describe how the services provided are the most effective use of funds to meet the district’s goals for unduplicated pupils in the state and any local priority areas. (See 5 CCR 15496(b) for guidance.)

Total amount of Supplemental and Concentration grant funds calculated:	<u>\$149,469</u>
<p>Tehama eLearning Academy (TeLA) is an on-line independent study program designed to meet the learning needs of non-traditional secondary (grades 7-12) students. The school had a 2015-16 unduplicated percentage of 70.8%, with a Free/Reduced student percentage of 62.5%. The district and its stakeholders believe the most effective use of LCFF funds is to improve the educational program for all students through a district/school-wide service model rather than a target model. This is due to the high at-risk nature of the TeLA student population and the individualized features of curriculum and instructional delivery. All students will benefit from district/school-wide delivery of services. Additionally, district/school-wide services will avoid the potential negative stigma from a traditional targeted or pull out program and will allow students access to services without interruption.</p> <p>Funds will be used primarily to increase technology-based course access and offerings, academic support and interventions, other student support services such as counseling and parent engagement activities. The 2016-17 LCAP identifies the following increased services for unduplicated students: on site supplemental core instruction in ELA, Math and Science (salary, software and materials) provided beyond the regularly offered staffing and curriculum; integrated ELD instruction for EL students; college/career group intervention and counseling; and intervention assessment, diagnosis and tutoring (salary and materials) for identified at-risk students.</p>	

B. In the box below, identify the percentage by which services for unduplicated pupils must be increased or improved as compared to the services provided to all pupils in the LCAP year as calculated pursuant to 5 CCR 15496(a).

Consistent with the requirements of 5 CCR 15496, demonstrate how the services provided in the LCAP year for low income pupils, foster youth, and English learners provide for increased or improved services for these pupils in proportion to the increase in funding provided for such pupils in that year as calculated pursuant to 5 CCR 15496(a)(7). An LEA shall describe how the proportionality percentage is met using a quantitative and/or qualitative description of the increased and/or improved services for unduplicated pupils as compared to the services provided to all pupils.

19.6	%
2	
<p>Tehama eLearning Academy (TeLA) is an on-line independent study program designed to meet the learning needs of non-traditional secondary (grades 7-12) students. The school had a 2015-16 unduplicated percentage of 70.8%. All additional LCAP services are applied on a school-wide basis. The 2016-17 LCAP identifies the following increased services for unduplicated students: on site supplemental core instruction in ELA, Math and Science (salary, software and materials) provided beyond the regularly offered</p>	

staffing and curriculum; integrated ELD instruction for EL students; college/career group interventions and counseling; and intervention assessment, diagnosis and tutoring (salary and materials) for identified at-risk students that is in addition to the regular school program.

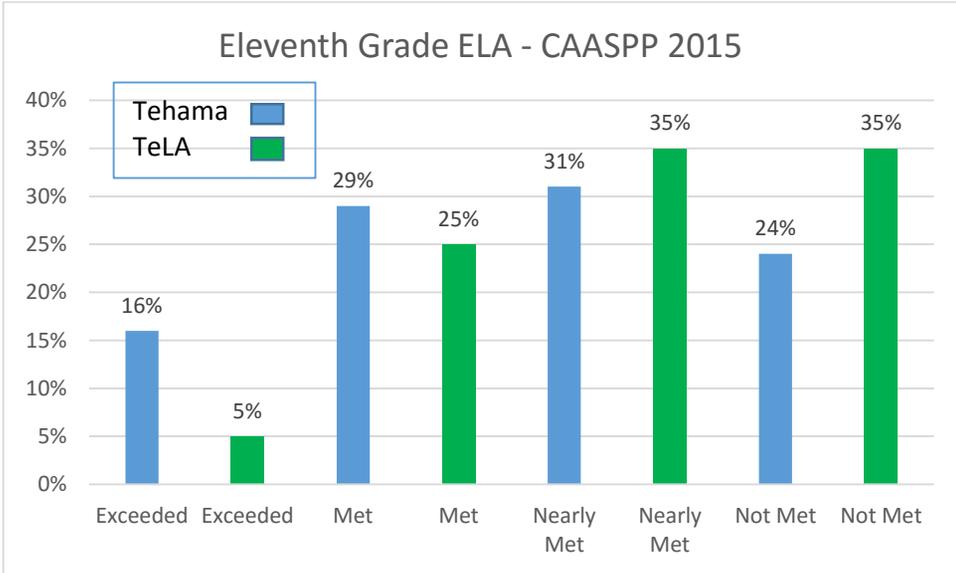

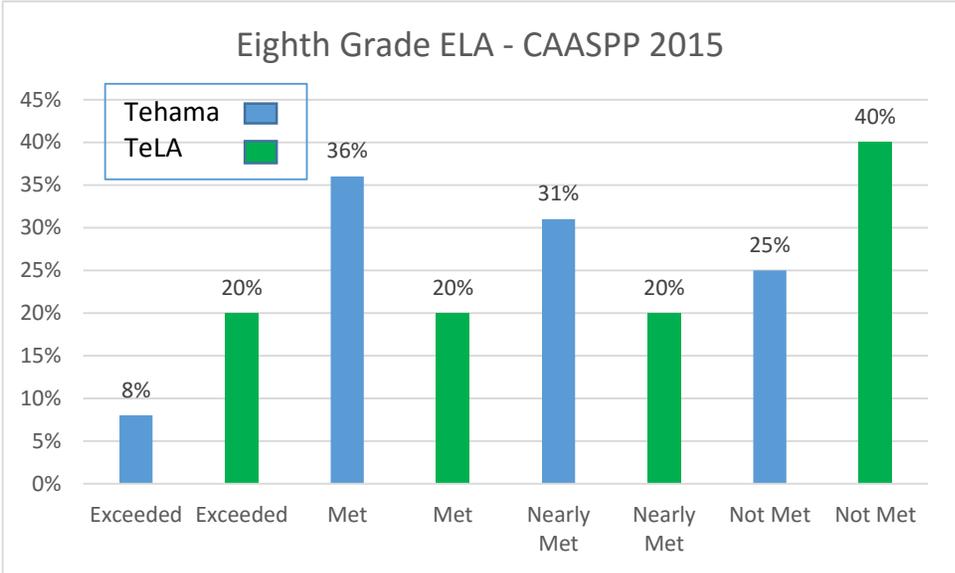

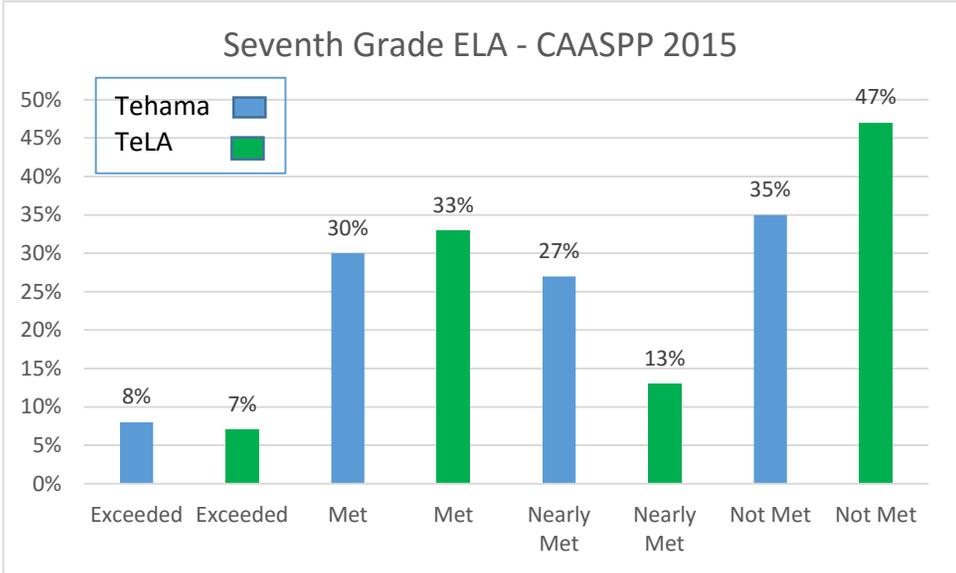

These additional services represent an additional 6 hours of weekly focused instruction above regular instructional time; math and ELA tutoring are provided weekly based on student learning needs at a minimum of 1 hour/week. Average student on-line school work typically amounts to 20 hours/week. Increased supplemental/concentration services therefore, represent at least 7 additional hours/week of service or 35%. In addition, college/career group interventions and counseling services are available for 14 hours/week for the school.
